OBJECTIVE

To utilize my knowledge and ideas in this field of machine learning, web development and embedded system toward the smooth functioning of organization, I realised that, satisfaction is a book of achievement, which holds the learning experience records of doing, trying, twiddling, getting failed, trying again and finally succeeding in the project.

EDUCATION

WBBSE(X) | Ballygunge Govt. High School
marks obtained - 84.42%, Passing year - 2015

WBCHSE(XII) | Ballygunge Govt. High School
marks obtained - 70.2%, Passing year - 2017

B.Tech(EEE) | MAKAUT **|** Swami Vivekananda Institute of Science and Technology **|**
Graduating year - 2021

EXPERIENCE

Campus Representative | Mywbut
2017 – CURRENT
I have promoted mywbut services in my college campus and worked as a 'training coordinator' here

Intern | I3Indya Technologies
SUMMER 2019
I have built embedded products using PIC microcontroller.

Intern | Mechnotrix
WINTER 2019
I have worked as a web-developer there.

SKILLS

PROJECTS

1. Simple Line Follower Robot
2. Edge Detection Robot
3. Biped Walking Robot
4. Email Spam Classifier
5. Salary Predictor
6. Hand-Writing Classifier

PERSONAL DETAILS

Father's Name: **Jamuna Prosad Modal.**

Mother's Name: **Anima Mondal.**

Date of Birth: **09.11.1998.**

Address: C/4 Rabindra Pally, Brahmapur, Kolkata-700096.
